

Buffalo Trails Safaris

NEWSLETTER - APRIL 2012

April was another outstanding month for Buffalo Trails Safaris with hunts both in the north of Zimbabwe in Chirundu and Nyakasanga and in southern Zimbabwe in the Buby Valley Conservancy, Gonarezhou and Eaglemont Ranch, as well as further afield in South Africa.

Early in April, Stephen Meyer guided an extraordinarily successful elephant hunt with one of our valued clients, shooting a 70lb bull which is now our 3rd elephant over 70lbs this season. (pictured left).

Stephen is currently on a hunt, also in Gonarezhou with Mr Aigner. So far they have shot a lovely old bull at 50lbs a side (pictured right) which was shortly followed by a hippo bull—Mr Aigner is delighted.

Johan Bezuidenhout and J P S Meyer were equally as successful with their group of six Lithuanian plains game hunters who were based in the Buby Valley Conservancy. All members of the group managed to obtain all of the species that were on their “wish list” and enjoyed the entire experience.

Two members of the group also added on buffalo hunts on Eaglemont Ranch. This combination worked well as the areas are in close proximity to each other. Both clients got their buffalo (pictured right) as well as some additional plainsgame

In conjunction with our partners in South Africa, Buffalo Trails was able to offer a complete Big game and plains game combination to our clients hunting a variety of different areas and species within the Northern Province and Natal with a very high success rate, especially on elephant, lion and sable (as pictured left and right)

Travelling logistics in South Africa make this type of hunt possible as opposed to other countries in Africa.

Jannie Meyer guided two of our South African based clients on a double-buffalo, elephant and hippo hunt with both clients bagging a hyena each as an added bonus. Werner had this to say about his hunt

“The hunt was an experience of a lifetime! We will see you soon. Thank you for your dedication and hard work! I have so much respect for you guys working hard and putting in extra effort. You guys are a great team and I will always return to hunt with you when it is possible.”

We are now approaching peak season and we are looking forward to the month of May, many more outstanding trophies, safe hunts and memories of a lifetime.

We do still have limited hunts available for 2012 - so if you do have any queries please contact Jannie or Martin

We are also in the process of updating our website which will be much more comprehensive and interactive. We will also be incorporating a blog where our clients will have the opportunity to write about their hunts or any comments or suggestions. We will let you know as soon as this I live !!

To all our valued clients - past, present and future - thank-you for your loyal support !!
