

Buffalo Trails Safaris

NEWSLETTER - JUNE 2012

June and the beginning of July has been a very productive month in all of our hunting areas.

Werner and Wilfried hunted the Buby Valley Conservancy for buffalo & plains game with great success, taking some excellent trophies, most notably Werner with his 47 inch buffalo bull (pictured above left) in early June. The Buby Valley Conservancy has proven to produce top quality hunting that promises to get better from now until the end of the season.

Hubert also completed a very successful plains game hunt later in June on the Buby Valley Conservancy, taking a good bushbuck, kudu and a fantastic last minute lioness (pictured above right).

Northern Zimbabwe hunting comes in to full swing from now until the end of the year and June saw Alain & Henri hunting buffalo and tuskless in Dande South. They had early success on their main species and also collected bushbuck, hyaena and warthog.

Bernd & Sophie arrived in our Chirundu/Nyakasanga Concession to be hunted by Jannie. Both shot excellent "dagga boys" in the first four days of the hunt. A special congratulations must be said to Sophie for her 1st buffalo and her first hunt in Africa.

Stephen then guided Christian on a buffalo bull & tuskless hunt in Sengwa. They had a fantastic hunt and shot both main species within the first few days of the safari.

Father and son team Ralph and Henrik then joined Jannie, also on a buffalo & tuskless combination hunt between Sengwa and Chete. Henrik shot a good buffalo (pictured right) and Ralph got his "well earned" tuskless (pictured left)

Further afield in Cameroon, Martin guided Jan on a bongo and sitatunga hunt in the Kika area. They had a phenomenal hunt with Jan taking a great 29 inch bongo (pictured far left) and a 28 inch forest sitatunga (pictured left) which should rank 3rd in the record books. Congratulations Jan!!!

There are on-going leopard hunts in Botswana which have yielded good results so far and we look forward to reporting back at the end of the hunt. There are also hunts in progress in Gonarezhou, the Midlands Conservancy and the Buby Valley Conservancy at the moment and we look forward to their successful conclusions.

We would also like to advise everyone that our new website is nearing completion and has now gone live. This is a much more interactive website where you are able to request quotes via the website, sign up for our newsletter, keep up to date with ongoing hunts and leave your own comments on the "Hunting News" page which is also a blog and you can "like" us on Facebook.

Visit us at www.buffalotrails-safaris.com

Thank-you to all our clients and we look forward to continued success for future hunts!!
