

Buffalo Trails Safaris

NEWSLETTER - OCTOBER 2013

It seems hard to believe that we are almost at the end of the 2013 hunting season and that this is our penultimate newsletter for the year. However, it's not quite over and since our last edition there have been several hunts and we still have a couple of late season hunts still to come!! For those clients who braved the rather toasty temperatures of October in Zimbabwe - they were rewarded for their tenacity and stamina with some fantastic hunting and great trophies.

In the south west of Zimbabwe, Stephen and Jannie Meyer guided friends Rainer and Martin, with their families on their much anticipated buffalo hunts in the Buby Valley Conservancy. This was a fantastic family experience where everyone participated in all aspects of the hunt.

Both Martin and Rainer had success early on in their hunts bagging outstanding "Dagga Boys" the traditional way!!! With time on their side they were then able to take advantage of the phenomenal plainsgame on offer in the area.

Quality eland, impala, kudu, waterbuck and wildebeest were taken by both Martin and Rainer. Weidmansheil to both of you and we look forward to hunting with you again in future!!

In northern Zimbabwe, PH Johan Bezuidenhout guided Walter and Christian on sable and hippo hunts for their second safari with Buffalo Trails Safaris. The hunt started off in our flagship area of Chirundu & Nyakasanga, where a huge hippo bull was taken early on in the hunt together with a great bushbuck and waterbuck.

The hunting duo then relocated to the Midlands Conservancy where they both shot fantastic old sable bulls. Congratulations to both Walter and Christian on a phenomenal hunt and we really do look forward to welcoming you back.

As the hunting season draws to a close—we are already preparing for next year. We will be attending both the Dallas and Las Vegas (SCI) hunting conventions early in 2014 as per the below details. We look forward to seeing you all there - but in the meantime if you do have any queries for remaining 2014 hunts—please do not hesitate to contact us.
