

# Buffalo Trails Safaris

NEWSLETTER - NOV/DEC 2013

As 2013 draws to a close, so ends another outstanding hunting season for Buffalo Trails Safaris. The rains are on their way and we have already had several spectacular thunderstorms, so uniquely African. However for those clients who braved the heat and humidity, they were richly rewarded with highly successful and memorable hunts.

Hans-Stefan and his wife Dani returned to Zimbabwe for the second time this year.

This time, guided by Professional Hunter Talmage Alexander, they hunted on the banks of Lake Kariba and in Matetsi East. Success on Hans-Stefan's elephant bull meant that he was able to hunt a massive crocodile (pictured left) and hippo (pictured right).

Weidmansheil Hans-Sefan and we hope to welcome you back next year!!!!

In the Bubby Valley Conservancy, PH Jannie Meyer guided repeat client Janusz and his son Michal on a leopard, buffalo and sable hunt. Hot and humid conditions are not usually conducive to leopard hunting but with three leopard sightings within the first two days of the hunt it seemed they were destined for success. Janusz's leopard hunting dream came true on day three, producing a huge tom (pictured above far left). Congratulations to Janusz who shot perfectly under trying conditions.

Michal aka "Sharpshooter" racked up an impressive bag including a lovely old dagga boy (pictured above bottom centre), an amazing bushpig double, civet, genet, hyena (pictured above top right), impala, kudu, a lovely sable (pictured above top centre), warthog and zebra!!! This was a phenomenal hunt and a fitting end to the 2013 hunting season. Well done Janusz and Michal!!!!!!

Jannie Meyer and Martin Neuper, together with the entire Buffalo Trails Management Team would like to take this opportunity to thank everyone involved for another phenomenal hunting season. Firstly we would like to thank all of our valued clients for their support and loyalty, both this year and for some of our clients, since Buffalo Trails' inception—you all know who you are and without you none of this would be possible!!! So a HUGE thank-you!!!

Secondly, we would like to thank our Professional Hunters and their teams. Through their hard work and dedication we have had another safe and successful year. We appreciate that without our PH's and their trackers etc we would not have the clients and repeat clients that we do—so again without you—none of this would be possible and a HUGE thank you!!!

As 2013 ends, we are already looking forward to 2014, the beginning of which will see the hunting shows. We will be attending the shows as per the below schedule. Shortly after everyone returns the 2014 hunting season will then begin. We are really excited about the hunts we already have booked for 2014 which hopefully will be another great year and we look forward to seeing clients old and new at the shows!!!!
